## Tablet weaving. Kivrim: the flame

Threading diagram:

Asymmetrical double version of Anatolian kivrim pattern, sometimes called „the flame". Pattern repeat is 8 rows long. Central tablets of each half of the pack (counting from left right, tablets no 5, 6, 13 and 14) are turned continuously forward. Tablets no 1-4 and 7-9 are turned 4 times forward, 4 times back. Tablets no $10-$ 12 and 15-18 are turned 4 times back and 4 times forward.
